WEEKLY MEETING

SPIC MACAY runs on two wheels; conceptual & organizational. The weekly meetings should oil both these wheels regularly. SPIC MACAY is not merely an event/program organizing body. We have to find ways & means of reaching out to the young. This involves coming & putting our head together.

Dr Kiran Sethi, SPIC MACAY

The weekly meetings are our strength & mainstay. It should be purposeful and attractive, ever drawing new dedicated members. The abilities of each member should be taken note of and put to the best use for the welfare of the chapter.
